## *A Welcome Message from the School Administration*

Dear St. Charles Families,

Welcome to St. Charles Catholic School—a community where faith, learning, and love come together to nurture the hearts and minds of every child.

We are delighted to welcome all our families into our Catholic school community. Whether you are new to St. Charles or returning, we are grateful to partner with you in your child's educational journey.

At our school, we are committed to providing a safe, joyful, and faith-filled environment where every student can grow academically, spiritually, and socially.

Rooted in the teachings of Jesus Christ, St. Charles fosters a deep sense of compassion, respect, and service to others. Through daily prayer, religious education, and the celebration of our Catholic traditions, we guide our students in developing a strong moral foundation and a lifelong love of learning.

We believe that parents are the first teachers of the faith, and we look forward to working together to support each child's growth in both knowledge and character.

Thank you for choosing St. Charles—a place where every child is known, valued, and supported every step of the way.

**Have a blessed 2026–2027 school year.**

***Laurie Bonanni-McGee – Principal***

***Erin Pruski- Assistant Principal***

# St. Charles Catholic Elementary School – STUDENT CODE of CONDUCT

---

## St. Charles Student Code of Conduct is Based on the Following:

- Edmonton Catholic School Division's Administrative Procedures:
  - Student Code of Conduct, AP 351
  - Commitment to Inclusive Communities in Edmonton Catholic Schools, AP160
  - Student Responsibility, AP 350
  - Standard of Student Dress, AP 349
- The Province of Alberta Education Act (Section 31)  
Alberta Human Rights Act, Section 4

SCAN TO VIEW

We affirm that the rights set out in the Alberta Human Rights Act and the Canadian Charter of Rights and Freedoms are afforded to all students and staff members within St. Charles Catholic Elementary. We affirm that pursuant to the Alberta Human Rights Act and the Canadian Charter of Rights and Freedoms, students and staff members are protected from discrimination. More specifically, discrimination refers to any conduct that serves to deny or discriminate against any person or class of persons regarding any goods, services, accommodation or facilities that are customarily available to the public, and the denial or discrimination is based on race, religious beliefs, colour, gender, physical disability, mental disability, ancestry, place of origin, marital status, source of income, family status or sexual orientation.

This Student Code of Conduct Policy has been developed by the school community and was based on input from the students, parents and school staff. It is included in the student agenda as communication to all members of the school community each year. It will be reviewed and adapted as necessary on an annual basis by members of the school community.

## Statement of Purpose

It is the responsibility of all school community members (staff, students and parents) to ensure a welcoming, caring, respectful, inclusive and safe learning environment that respects diversity and fosters a sense of belonging for all. The goodness, dignity, and worth of all are recognized and all are held accountable for their actions.

The purpose of our Student Code of Conduct Policy is to assist students in learning how to address disputes issues, develop empathy and become good citizens both within and outside of the school community. We aim to have students know their responsibilities and understand student conduct expectations and consequences.

The statements of what is acceptable and unacceptable behaviour by students apply whether the behaviours occur outside of the school building or school hours or where the unacceptable behaviour takes place electronically, provided the behaviour has an impact on the school or individuals in the school.

## We All Belong Here

Our school is committed to providing an inclusive, welcoming, caring, respectful, and safe Catholic learning environment that promotes the well-being of all students. As part of this commitment, Edmonton Catholic Schools has Administrative Procedure 172, which outlines how to report incidents of racism and discrimination.

Belonging means everyone is welcome at our school. We treat our friends, classmates, teachers, and school staff with kindness and respect. Sometimes, people say things that make us feel like we don't belong. If this happens to you, talk with your family, your teacher, or a trusted adult at your school.

---

# Standards of Student Dress

---

## Philosophy

*In Edmonton Catholic Schools, students are expected to dress in a manner that honors the dignity of the human person, who was created in the image of God, and that supports an inclusive, welcoming, caring, respectful, safe, and Catholic learning environment that promotes the well-being of all. Each school in the Division will have Standards of Student Dress for their community. Understanding that it is not possible to list all the specific types of acceptable and unacceptable student dress, the purpose of establishing Standards of Student Dress is to empower students to make appropriate choices.*

*Students are expected to dress in a manner which is appropriate for the school day or for any school sponsored event. All students shall come to school dressed in a comfortable manner that allows them to be authentically who they are, while also meeting the standards in this document.*

*Students who do not meet the Standards of Student Dress will be required by the school principal or their designate to meet the standards before participating in school activities. Schools will facilitate the enabling of students to meet the standards in such situations whenever possible.*

*Student dress must maintain personal safety and the safety of the school community. Students are not permitted to wear articles of clothing, jewellery or accessories that indicate or suggest membership in or affiliation with any group or organization that does not support a welcoming, caring, respectful, safe, and Catholic learning environment that respects diversity and fosters a sense of belonging.*

Students at St. Charles Catholic Elementary must wear:

- A top or the equivalent (t-shirt, sweatshirt, polo, tank top) with fabric in the front, back, and sides under the arms
- Bottoms or the equivalent (jeans, leggings, sweatpants, skirts, dresses, shorts)
- Shoes

Students at St. Charles Catholic Elementary may wear, if they are in alignment with this standard's philosophy:

- Headwear that is specifically required for religious observance (i.e. hijab, yarmulke, turban) or for medical reasons in consultation with the principal.
- Hats and other headwear must allow the face to be visible to staff and not interfere with the line of sight of any student or staff. Hoodies must allow the face and ears to be visible to school staff. Hats and other non-religious/non-medical headwear will need to be removed during prayers, liturgies, Mass, school celebrations and while singing the National Anthem
- Clothing with logos or text on it that is positive in nature, respectful, or implies or encourages a healthy lifestyle/choice for children and youth

Students at St. Charles Catholic Elementary may not wear:

- Articles of clothing that discriminate based on age, religion, gender, gender identity/expression, body type, race, ability, and socio-economic status
- Articles of clothing with words or text that depict or imply hate, violence, profanity, drugs/drug use, alcohol/alcohol use, sexual activity, or criminal activity
- Articles of clothing that are transparent/see-through

Students who have not met the standard, as outlined above, will be addressed in the following manner:

- At the first possible opportunity for a private conversation, the staff member who has identified the issue will speak to the student about the concern in a manner that respects their privacy and dignity. Care will be taken to avoid "shaming" or statements of bias.
- The student will be presented with options to bring them into closer alignment with the standard for the remainder of the school day such as:
  - Wearing another article of their own clothing which they have at school that is in alignment with the standard.
  - Contacting a parent or guardian to bring in an article of clothing that is in alignment with the standard.
  - Borrowing an article of clothing from a friend that is in alignment with the standard.
- Where possible, students should not be required to wear school owned replacement garments and should never be required to wear specific garments as a disciplinary measure
