

Principal Report- Tuesday April 1, 2025

Highlights since our last meeting-

- Our Demonstration of Learning and Open House took place March 13. We had about 15 new families who attended and toured our school. Many are very excited to join our school community.
- Our second book fair for this year was another huge success. Thank you to Mrs. Melynk and our parent volunteers for the support. We are looking to use this money to support the purchase of new classroom library books.
- Our School Cultural Day was an amazing event. Trustee Palazzo was in attendance as were many parents throughout the day. The donations of food and artifacts was incredible. The library was transformed into a gallery with a special seating area created for parents to stay and enjoy coffee and fellowship. Students have been asked for their feedback on the day and I am asking for feedback from any parents who attended as well. (share some student feedback)
- We continue to raise money for our Share Lent Project- Students for Social Justice are raising money for the Development and Peace campaign- Turn Debt into Hope, through ticket sales for "Principal for a Day" and filling classroom "Jars of Hope"
