January 25, 2026

**Dear Families,**

February is shaping up to be a very busy month at our school, as many of the events originally planned for October have been rescheduled and will now take place in the coming weeks. A long-awaited highlight is **inline skating**, which all students from Kindergarten to Grade 6 will have the opportunity to experience. A big thank you to our Parent Council for generously subsidizing most of the cost. Field trip forms will be coming home this week.

Please note that **Thursday, January 29 is a school professional development day**, and there will be **no school for students**. On this day, our staff will be engaged in professional learning focused on strengthening teaching practices to best support student growth and well-being.

We are looking forward to an upcoming **school assembly led by our Grade 1 students**, who will be sharing their learning around the value of Love. It is always a joy to see our youngest learners lead us in reflection and model our shared values.

We are also excited to welcome families to our **Family Winter Carnival on February 13**. We hope to see everyone for an evening of fun, connection, and community building. Events like this are a wonderful opportunity to strengthen the relationships that make our school such a special place. **Tickets can be added to your cart on PowerSchool** (only **one ticket** is needed per family for entry). An exciting **Silent Auction** will also take place that evening.

Looking ahead, **registration for the 2026–2027 school year opens on February 2**, with **Kindergarten registration beginning at the same time**. Please help spread the word to friends, neighbours, and family members who may be considering joining our school community.

Thank you for your ongoing partnership and support.

With gratitude,

Laurie Bonanni-McGee
