St. Charles Catholic
Elementary School

May 8, 2026

Dear Families,

Throughout the week, our classrooms engaged in meaningful conversations and activities focused on well-being, kindness, and the importance of caring for our minds and hearts. It was encouraging to see students supporting one another, practicing gratitude, and learning strategies to help them navigate challenges. These are important life skills that strengthen not only individuals, but our entire school community.

As we look ahead, we are excited to celebrate Catholic Education Week. This special time invites us to reflect on the gift of Catholic education and the ways our faith is lived out each day in our classrooms. It is also an opportunity to recognize and thank our dedicated teachers, who faithfully bring Catholic education to life each day through their witness, compassion, and commitment to nurturing the hearts, minds, and spirits of our students. Together, we celebrate the strong sense of community we share, rooted in Gospel values, and the many ways our students grow academically, spiritually, and socially.

This weekend, we also take time to honour and celebrate mothers and mother figures in our lives. We offer this blessing:

May God bless all mothers and those who nurture and care for others with love and patience.

May they be filled with strength, peace, and joy in all that they do.

May they feel appreciated not only today, but every day, for the countless ways they make a difference.

May God continue to guide and watch over them always.

Wishing all of our families a joyful and blessed week ahead.

With gratitude,

Laurie Bonanni-McGee

Principal

ECSD SCHOOL CALENDAR 2026-2027- Updated Final

Updated Calendar for the 2026-2027 School Year

ecsd.net/calendar

Edmonton Catholic Schools has updated the 2026-2027 Division school year calendar. While the total number of instructional and operational days remains the same, a few dates have changed.

For most ECSD students, the first day of school will be Wednesday, September 2, 2026. There will be no classes for all ECSD students on Monday, October 19, 2026, as the province conducts a scheduled referendum and Elections Alberta has requested that schools not be in session that day.

Faith in May - The Month of Mary

Honouring Mary in the Month of May:

In Catholic tradition, May is a special time to celebrate Mary, the mother of Jesus. This custom is rooted deeply within Church tradition and is connected with the beauty and new life of spring. This parallels Mary's role in bringing Jesus into the world. Far from a distant figure, Mary is a living witness to faith, courage, and discipleship. She shows us how to say "yes" to God even when the path ahead is uncertain. Devoting time to Mary this month isn't just about ritual -- it is also about forming a deeper spiritual connection and growing in our relationship with Christ through her. Mary is not only a mother to Jesus but a spiritual mother to all of us.

How can you celebrate Mary this May?

- Pray the Rosary or Magnificat as you invite Mary to walk with you on your faith journey this month.
- Reflect on Mary's life by reading Scripture passages like Luke 1-2 or John 2. How did Mary respond to God's call with strength and trust?
- Look for ways to quietly perform acts of service for your friends, family, or community, embodying Mary's quiet and humble life of service to the Lord and to others.
- Join us for our Living Rosary celebration on May 25th at 10:00AM in our gym.

Families Helping Families

We invite families to drop off any extra non-perishables to help stock our shelf for our families in need. In particular, we need some gluten free items, granola bars, fruit snacks or other healthy snacks. Our pantry is located in our conference room, just across from the office. This is a more discrete location to ensure the dignity of those who may need a helping hand. Donations may be dropped off at the office. If you require support in any way, please reach out to Mrs. Moniz, our FSLW. Her email is laura.moniz@escd.net or simply call the school. She is onsite on Monday, Tuesday and Thursday morning.

Safety Reminder:

We've noticed more students using the playground before and after school. Please remember that there is **no playground supervision at these times**. On the rare occasion that you cannot arrange for a ride at dismissal time, we will be asking your child to wait inside the school for their safety. Thank you for supporting us in keeping our students safe and accounted for!

Practice Fire Drills and Lock Downs

As we move towards the end of the school year and into warmer weather, we will be continuing our required lockdown, severe weather and fire drills. These drills are an important part of ensuring the safety of our children in the event of an emergency.

Messaging will be sent home following any dynamic drill (not announced to students). The safety and security of our students and staff is of the utmost importance to us, and we will continue to refine our practice with the custom of these drills.

BusPlanner Delays App

We encourage our families who have children who take the bus to download the BusPlanner Delays App on their mobile phones to receive late bus notifications. Instructions are located on [Yellow Bus Delays - Edmonton Catholic Schools](#)

Standard of Student Dress Reminder

With the warmer weather upon us. We encourage all families to speak with their children about appropriate dress for school. This also includes graphics on t-shirts and sweaters that may be offensive to younger students. Please review the [Standard of Student Dress Policy](#)

Last SAC Meeting is June 3 @ 6:30 in the library

Our **School Advisory Council (SAC)** plays an important role in building a strong school community, and we need your help. **ALL ARE WELCOME!**

Roots of Empathy
Racines de l'empathie

Are you a proud parent with a new baby?
Will your baby be 2 – 4 months old in October?

You and your baby can make a lasting
difference in children's lives in your community!

The charity **Roots of Empathy** provides an award-winning program for elementary school children that independent research shows increases empathy, reduces aggression and bullying, and increases caring, kindness and inclusiveness.

"Change the world, child by child" by becoming a Volunteer Family

The Program is centred around you and your baby's loving relationship, with a Roots of Empathy Instructor guiding a discussion with children, encouraging them to read your baby's emotional cues and take your baby's perspective. Your baby is the "Tiny Teacher". The children learn to identify and name your baby's feelings, reflect on and understand their own feelings, then bridge to understand the feelings of others. The development of emotional literacy helps children understand how their behaviour or words can hurt others, and enables children to make friends and build positive relationships.

I would strongly recommend this program for your baby and for your community. What a way to make a difference for students by bringing the pure joy of a baby into their world.

Volunteer Roots of Empathy Parent

What's involved in being a Roots of Empathy Family:

- Nine times over the school year, you and your baby will visit a classroom with the Roots of Empathy Instructor and join the children around the "Green Blanket".
- You will help the children learn all about your baby and in turn they will learn about themselves, their feelings, and their temperament traits.
- The children will celebrate your baby's milestones such as rolling over, clapping, sitting and more, which are captured in a photo book for you and your baby. The children show their love of the baby at the end of the program with wishes for the baby's future.
- For more information on what is involved and to apply, please see below

***Babies must be between 2 and 4 months old in October**

We are hoping to continue offering the Roots of Empathy Program to students here at St. Charles for next year. If you know of someone who may be interested in becoming a volunteer family for us, please ask them to reach out to Laura.monez@ecsd.net
